

Toc

Econômica, para projetos em geral.

A soma perfeita de qualidade e economia.

Prime

Schneider
 **Electric**

Atributos e benefícios

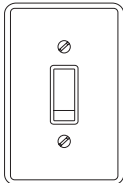

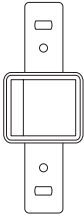

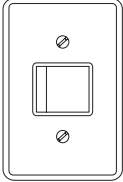

- Interruptores, tomadas e placas para uso residencial ou similar.
- Linha de embutir com placas Cinza e Branca e teclas tradicionais ou brancas.
- Conjuntos montados em placas 4" x 2".
- Superfície resistente e fácil de limpar, com proteção UV.
- Interruptores e pulsadores com contatos de prata (fixo e móvel): garantia de maior durabilidade.
- A melhor relação custo x benefício da categoria Econômica.
- Para residências, lojas ou escritórios em geral.
- Em conformidade com as normas ABNT NBR NM 60.669 (interruptores) e ABNT NBR NM 60.884 (tomadas).

Produtos diferenciados

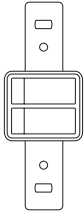

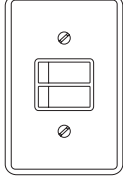

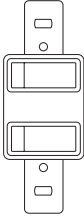

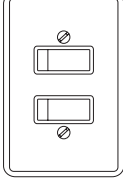

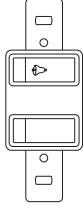

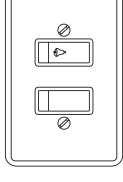

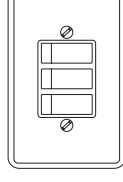

- Variador eletrônico para ventilador.
- Tomada RJ11 (2 fios).
- Tomada RJ45 (8 fios) Cat. 5E.
- Tomada para antena de TV.
